## SUMMARY ANNUAL REPORT FOR THE ALASKA TEAMSTER-EMPLOYER WELFARE TRUST

This is a summary of the annual report of the Alaska Teamster-Employer Welfare Trust, EIN 91-6034674, a multi-employer Trust, for the year beginning July 1, 2013 and ending June 30, 2014. The annual report has been filed with the Employee Benefit Security Administration, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

### SELF-FUNDED BENEFIT INFORMATION

The Plan maintains its medical, dental, drug, disability, vision benefits, and urgent care under a self-funded program.

### INSURANCE INFORMATION

The following brief description of the Plan benefits are provided for general information purposes only. Participants should refer to the plan document for more complete information.

The Plan has contracts with Standard Insurance Co. to pay certain life insurance and accidental death and dismemberment claims.

The Plan also maintains stop loss coverage under a contract with Union Labor Life Insurance Co. for participants and dependents. Medicare retiree coverage is provided under a contract with TEAMStar. The total insurance premiums charged to the Plan for the year ended June 30, 2014 were \$2,592,629.

Standard Insurance Co. is a so called "experience-rated" contract, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premiums paid for the plan year ending June 30, 2014, the premiums paid under such "experience-rated" contract were \$128,091 and the total of all benefit claims paid under the experience-rated contract during the plan year was \$155,000.

### BASIC FINANCIAL STATEMENT

The value of Plan assets, after subtracting liabilities of the Plan, was \$(5,762,150) as of June 30, 2014, compared to \$(8,564,943) as of July 1, 2013. During the Plan year the Plan experienced an increase in its net assets of \$2,802,793. This increase included unrealized appreciation or depreciation in the value of Plan assets; that is, the difference between the value of the Plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year.

During the Plan year the Plan had total income of \$36,287,946 including employer contributions of \$30,219,639, participant contributions of \$4,100,361, earnings from investments of \$652,757, and other income of \$1,315,189.

Plan expenses were \$33,485,153. These expenses included \$2,480,871 in operating expenses, \$21,840 in investment

expenses, \$28,389,813 in benefits paid directly to participants and beneficiaries and \$2,592,629 in insurance premiums charged by insurance companies.

Benefits and eligibility rules will change from time to time. Retiree benefits differ from active employee benefits and also can be changed or eliminated at any time. Be sure to use the most recent plan booklet and to read any special notices about your coverage. Do not rely on outdated information. If you lose your coverage you may be entitled to continue it by making self payments. Consult your booklet or the plan office for details.
